

TEHACHAPI MUNICIPAL AIRPORT

At an elevation of 4,001 feet, Tehachapi's Municipal Airport is known as the corridor to Northern and Southern California!

Located at the south of the Sierra Nevada Mountains, Tehachapi is an ideal spot to stop not only to fuel, but to enjoy an old-fashioned mountain town with good food and great prices.

A friendly place to rest your wings!

Airport Information

Please feel free to check our computerized weather system for current weather conditions. The frequency for our Automated Weather Observation System (AWOS) is 120.025. You can also call 661-823-0473 for local weather conditions at any time or check the City's website at www.tehachapicityhall.com or <http://71.131.140.145/>

You are always welcome to use our *wireless network* while you are visiting our lounge. Please use "tsp" as the User ID and the password is also "tsp."

Our lounge has many items available for your use. Please feel free to enjoy our *oversized recliners*, lean back, rest, relax, read a good book or one of the many *trade magazines* that are available on the magazine rack in our kitchen area. Please feel free to turn on the *television* to watch the news or any other program that might strike your fancy.

The *computer in the lounge area is always available for your use*, just turn on the monitor and feel free to check weather conditions at various airports or even file your flight plans on-line!

There is also a *courtesy phone* available for local calls or 800 numbers. Call to make reservations at one of our local restaurants or, if you have an overnight stay in mind, make reservations at one of our local hotels.

While you're relaxing in our lounge, feel free to help yourself to our *self-serve coffee, tea, hot chocolate, sodas and water*. The refrigerator is packed full of various sodas (diet and regular) at only .50 per soda. Our soda/coffee is funded by the *honor system*, so please deposit your money in the cash box located in the refrigerator so we may continue to provide this service to you. If you wish to make yourself hot tea or hot chocolate just fill up the electric tea pot with water, turn it on and you'll have boiling water in two minutes!

If we can be of any service to you, please don't hesitate to ask! If we are unable to help you ourselves at least we can direct you to someone who can.
