CONNECTIONS

Tehachapi Event Center & Rodeo Grounds

In 2012, the City of Tehachapi solidified a new partnership with the Tehachapi Mountain Rodeo Association (TMRA) for the long-term improvement and operation of the Tehachapi Event Center and Rodeo Grounds.

In an effort to make this an outstanding multi-use facility, the City and TMRA began work with AECOM to create a concept master plan for the entire site. The resulting concept is one that the committee is confident

will allow for a large and diverse variety of uses that will help TMRA, the City, the airport and the community succeed. Recently, Michelle Vance was named Tehachapi Event Center & Rodeo Grounds Project Coordinator.
