MEETING DATE: DECEMBER 15, 2014 AGENDA SECTION: POLICE DEPARTMENT

TO: HONORABLE MAYOR SMITH AND COUNCIL MEMBERS

FROM: KENT KROEGER, POLICE CHIEF

DATE: DECEMBER 8, 2014

SUBJECT: ADOPTION OF PROPOSED ORDINANCES PROHIBITING LOITERING, AGGRESSIVE SOLICITATION, AND ANY SOLICITATION AT SPECIFIED LOCATIONS

BACKGROUND

As the Council is aware, staff introduced the proposed ordinances prohibiting loitering, aggressive solicitation, and any solicitation at specified locations at our last City Council meeting held December 1, 2014. The introduction of these ordinances was prompted by concerns from business owners and citizens regarding a significant increase in the presence of vagrants loitering in the downtown area. Many of these individuals are also engaged in aggressive solicitation at various commercial areas throughout the city. Business owners have expressed serious concern with this activity indicating the presence of vagrants in front of or near their establishments is deterring legitimate customers from patronizing their respective businesses. Citizens have expressed similar concerns suggesting the presence of vagrants and aggressive solicitation have caused them to fear for their personal safety. Law enforcement's ability to resolve this problem is limited due to a lack of existing statutes prohibiting this type of activity.

PROPOSAL

In response to this public safety concern, we have drafted the proposed ordinances to prohibit loitering upon any public street, sidewalk, curb, crosswalk, or other public right-of-way so as to obstruct the free passage of pedestrian or vehicular traffic thereon with some exceptions. The proposed ordinance also prohibits loitering so as to obstruct or prevent access to any structure or building open to the public as well as the loitering within a parking lot of a shopping center without lawful business in any of the retail stores or service establishments of such shopping center. With respect to aggressive solicitation, the proposed ordinance prohibits soliciting, asking, or begging in an aggressive manner in any public place. Additionally, any solicitation, asking, or begging is prohibited at specified locations.

The proposed ordinances provide a valuable and necessary tool that will enable law enforcement to effectively address the public safety concerns brought forth by our business owners and residents.

RECOMMENDATION

Adopt an Ordinance of the City Council of the City of Tehachapi prohibiting loitering and aggressive solicitation at specified locations.

SUBJECT: ADOPTION OF PROPOSED ORDINANCE PROHIBITING UNAUTHORIZED ENTRY INTO WASTE CONTAINERS

BACKGROUND

As the Council is aware, staff introduced the proposed ordinance prohibiting unauthorized entry into waste containers at our last City Council meeting held December 1, 2014. The proposal of this ordinance was prompted by an increasing problem both nationally and locally involving persons who forage waste containers. The foraging of these containers leads to waste strewn about our streets and neighborhoods, waste containers left open allowing access to animals, and/or waste containers left in roadways or walkways. The entry into waste containers by unauthorized individuals exposes owners to potential public nuisance liabilities for which they have no remedy unless provided by an addition to the Tehachapi Municipal Code. Additionally, residents frequently dispose of personal information of a sensitive nature in their personal waste containers believing they will be properly disposed of by the waste company. The entry into waste containers by unauthorized individuals increases the possibility of individuals becoming the victim of identity theft.

The foraging of waste containers clearly represents a risk to the public health and safety of our residents.

PROPOSAL

In response to this public health and safety concern, we have drafted the proposed ordinance to prohibit the rummaging, exploring, tampering, movement, removal, tipping, defacing, destruction, scavenging, or otherwise searching a waste container or the contents thereof.

The proposed ordinance is needed for the preservation of the public peace, health, safety, and general welfare of the residents of the City of Tehachapi.

RECOMMENDATION

Adopt an Ordinance of the City Council of the City of Tehachapi prohibiting unauthorized entry into waste containers.

ORDINANCE NO. _____

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF

WASTE CONTAINERS AND ADDING CHAPTER 8.60 TO THE
TEHACHAPI MUNICIPAL CODE**

**THE CITY COUNCIL OF THE CITY OF TEHACHAPI DOES
ORDAIN AS FOLLOWS:**

Section 1. AMENDMENTS.

A. Chapter 8.60 is hereby added to the Tehachapi Municipal Code as follows:

CHAPTER 8.60

**UNAUTHORIZED ENTRY INTO WASTE CONTAINERS
Sections:**

8.60.010 Purpose and Intent.

8.60.020 Unlawful Search and Entry.

8.60.030 Public Nuisance.

8.60.040 Violation and Penalty.

8.60.010. Purpose and Intent. The City Council recognizes that there is an increasing problem both nationally and locally involving persons who forage waste containers. The City Council finds that there is risk to the public health and safety when:

A. Waste is strewn about or waste containers are left open to animals or waste containers and lids are left in roadways or walkways.

B. That entry into waste containers by unauthorized individuals may subject owners to public nuisance liabilities for which they have no remedy unless

provided by an addition to the Tehachapi Municipal Code.

C. That an ordinance is needed for the preservation of the public peace, health, safety and general welfare of the residents of the City of Tehachapi based upon the finding of facts declared by the City Council hereinabove stated.

8.60.020. Unlawful Search and Entry. It shall be unlawful for any person, except the owner or someone with the owner's consent or authorized city, county, state, or federal personnel, or employees of the solid waste company that owns the waste container, in the performance of their duties, to rummage, explore, tamper with, move, remove, tip, deface, destroy, scavenge or otherwise search a waste container or the contents thereof. Any and each violation of this section shall constitute a separate and distinct offense punishable as provided in Section 8.60.040 of this chapter.

8.60.030. Public Nuisance. Rummaging, exploring, scavenging, or otherwise searching a waster container is a violation of the provisions of this article and is hereby declared a public nuisance.

8.60.040. Violation and Penalty. Any person in violation of this article shall be guilty of a misdemeanor and shall be punishable by a fine of not more than \$1,000.00 or imprisonment in the Kern County Jail for not more than six (6) months, or both. Any person that continues in violation of this article shall be guilty of a separate and distinct offense for each and every violation.

Section 2. SEVERABILITY.

If any section, subsection, sentence, clause, phrase, or portion of this

Ordinance is held to be invalid or unconstitutional such decision shall not affect the validity of the remaining portions of this Ordinance.

SUBJECT: AMENDMENT TO PAY SCHEDULES

BACKGROUND

California Public Employees' Retirement System (CalPERS) audited the City of Tehachapi (City) to determine whether the City complied with applicable sections of the California Government Code, California Code of Regulations and the Agency's contract with CalPERS. The audit process began in August, 2013 and the Final Report of Findings was issued by CalPERS in September, 2014.

Currently, we are in the process of addressing each of the findings and are taking corrective actions based on direction from CalPERS staff. One of the findings was non-conformance of pay schedule publications, as the City's pay schedules did not include the pay for the contract employees and the positions created or amended during the fiscal year. These contracted employees and positions were approved by council at regular meetings; however, the salary schedules were not repealed in its entirety.

Based on CalPERS' recommendation, the City is retroactively adopting the amended pay schedules for fiscal years 2012/13, 2013/14 and 2014/15.
