Dear Carl,

The Tehachapi Heritage League wants to thank you for your participation in our "Kids' Day – History is Fun" event. You added to the wonderful time everyone who attended experienced.

We estimate that over 250 adults and kids came to view the exhibits and participate in the activities. We really appreciate your help in making this event such a success! We hope that you will continue to support our future activities.

Sincerely,

Harold Cox
First Vice President
